Dear Parents

I have been informed that one child, in lower school, has contracted Chickenpox. As this is a contagious condition there is a possibility that other children may become infected, so please be warned.

If you have children in Upper school, at a loose end over the half term holiday, can I point you in the direction of the British Museum. They have an excellent website with all kinds of useful information about the Aztecs ([www.britishmuseum.org.uk](http://www.britishmuseum.org.uk)). If you are in London the permanent Aztec exhibition is worth having a look at.

Parent/teacher consultation meetings will be held on the 28th February and the 1st March. I will be sending out information out next week, so that you can book your appointment with the class teacher

Thank you for your continued support,

*P. Manterfield*

**Class JC**

Please note children in class JC will need their sandwich ingredients on Wednesday 8th January not 9th - as this was an error on the original letter.

Thank you  
Mrs Perry
